

First Baptist Church of Pinehurst

January Newsletter 2009

As we enter into the new year of 2009, it is my hope and prayer that we will continue to see God do great and marvelous works in our church. As always, we will continue to offer the basic pillars of spiritual growth which include: worship, Bible study, prayer, fellowship, and mission opportunities. I would encourage you to take full advantage of all the opportunities to grow in your own personal faith and to invite others to come and grow with us. The monthly newsletters are a reminder of the activities in the life and ministry of our church. The old adage of "you get out of something in proportion to what you invest in it" holds true in our spiritual lives and church as well. Invest well this year!
